

COSTA RICA CHRISTMAS GIFT OUTREACH

In December, the Costa Rica Short-Term Mission Team will be traveling to San Jose, Costa Rica. In conjunction with Operation Mobilization, they will provide hands-on involvement in an impoverished area in the southeast Talamanca mountain region and minister alongside Christian Light Foundation and our missionaries Paul and Dori Pittman in outreach to children and families.

The team will be personally delivering donated Christmas gift bags to children who may not otherwise enjoy a Christmas gift, and water filters to bless families who do not have access to clean water sources.

HERE'S HOW YOU CAN TAKE PART:

Bless the life of a child in need - Simply fill a zip lock bag with small personal hygiene items for a boy or girl. Stop by the table in the Main Lobby to pick up a gallon zip-lock bag, fill it with the items listed on the instruction sheet inside and return the filled bag to the Main Lobby by Nov. 15.

Give the gift of clean water - Adopt a water filter to send with the team. Each water filter costs \$40, but any amount towards this outreach is appreciated (our goal is to provide at least 150 filters). Checks can be made payable to Calvary Chapel with "water filter" on the memo line. More info on the water filter project is also available at the table.

Stop by the table in the Main Lobby and talk to members of the Costa Rica team about God's plan for this mission trip.
