

MINISTRY SPOTLIGHT

"Getting Plugged In" is a vital necessity for spiritual development and our service for God's glory. Hebrews 10:24 says: "Let us consider how we may spur one another on toward love and good deeds." Sometimes people choose not to get plugged in because they don't know where they fit, or with all the different ministry options available, it's hard to know where to get involved.

The Ministry Fair is a great and easy opportunity to explore the different ways to get plugged in at Calvary Chapel. The hope is for you to find the small group and ministry that fits God's plan for you.

Stop by the Ministry Fair in the Main Lobby before and after the weekend services, April 18 and 19 and check out the ministry tables and find where you can put your faith into action. (Kathy Lee, 577-7705)
