# MISSIONS 101

## Intro to Cross Cultural Missions

The objective of this 13-week course is to expose believers to the basic concepts and realities of working on the mission field. The goal is to provide the biblical perspectives, contemporary analysis, and practical knowledge for each believer to be adequately equipped to take the next step in responding to God's call to ministry wherever He leads!

This course does not seek to transform everyone into a missionary. It does, however, seek to inspire and motivate everyone to be a 'mobilizer' for the cause of missions. This course is designed for anyone with an interest in cross cultural missions and not necessarily just for those with a defined call to serve overseas.

The 13-week session begins Aug. 25 in Room C-22 from 7-9 p.m. Stop by the Ministry Info Center in the Main Lobby to sign up and pick up the class syllabus with required reading list. For more info, contact Art Dykstra at 577-7705.
